Contractor Declaration

I certify that the equipment listed above will be installed at the Eligible Customer's Installation Location Address listed above, and that the equipment meets the requirements of the current edition of the *Canadian Electrical Code* in force in Saskatchewan. I further certify that the Incentive Grand Total indicated above has been applied to the customer invoice.

Contractor Name (please print)

Signature of Contractor's Authorized Representative

Name of Contractor's Authorized Signature (please print)

Date of Signature

Eligible Customer Declaration

I certify that the price payable by me to the Contractor for the equipment listed above has been reduced by the amount of the Incentive Grand Total indicated above. Further, I hereby agree to cooperate with any verification process SaskPower follows to ensure the effectiveness of its Commercial Incentive Program, including (for example) completion of telephone survey, and/or inspection of the location where the equipment was installed.
