### DEFINITIONS

#### **LTI (Lost Time Incident)**

Any work-related injury that causes a worker to miss at least one day of work (not including the day the injury occurred).

#### **Work Days Lost**

Number of calendar days that employee missed work due to injury/occupational illness.

#### **Medical Aid (MA)**

Any work-related injury that involves neither lost workday nor restricted workday, but which requires treatment by a physician or other medical professional. Medical Aid does not include first aid treatment, even if treatment is provided by a physician or their registered professional medical personnel.

#### **Restricted Work Cases (RWC)**

Any work-related injury that causes a worker to be restricted to modified duties.

#### **Restricted Work Days**

Number of calendar days that employee is on a restricted working schedule due to modified duties.

#### **First Aid (FA)**

Any one-time treatment and subsequent observation of minor scratches, cuts, burns, splinters and so forth, which do not ordinarily require medical care by physician. Such treatment and observation are considered first aid even if provided by a physician or another registered professional medical personnel.

#### **Vehicle Incident (VI)**

Work-related driving incidents which involve a worker-used vehicle on any roadway and which result in damages to the vehicle, excluding normal wear and tear.
