

COMMERCIAL REFRIGERATION INCENTIVE

YOU'VE GOT THE POWER TO SAVE

Refrigeration can account for up to 55 per cent of a business' electricity consumption. Let us help you cut the cost of doing business.

SaskPower's Commercial Refrigeration Incentive offers rebates on the purchase price for energy efficient products such as refrigerators, freezers, display cases, night covers and much more.

Eligibility

- The application must be submitted by the end user of the refrigeration product

What You Will Receive

- Rebates on the purchase price of qualified energy efficient refrigeration products (up to a maximum of \$15,000 per location and \$50,000 maximum per business per year)

Benefits

- Save money on your power bill
- Extend the life of your equipment

How To Apply

1. Ensure your refrigeration equipment is eligible by checking the qualified product list at saskpower.com/savebusiness under Commercial Refrigeration Incentive.
2. Fill out the application form with your contractor.
3. Submit your completed application form along with your receipts and applicable product specification sheet. Photocopies are accepted.
4. We'll review your application and mail you a rebate cheque if you've met all of the requirements.

Commercial Refrigeration Incentive Program - Qualified Products List

Effective - May 1, 2016

The Commercial Refrigeration Incentive Program provides Saskatchewan businesses with the opportunity to receive financial incentives when purchasing qualified energy efficient refrigeration products through participating distributors

* All products (night covers and strip curtains exempt) must be CSA/ULC approved

Retrofit & New Construction Projects

ID	Measure Short Name	Measure Description	Eligibility Criteria	Incentive per unit to End-users
ECM10011 / ECM10012	ECM Motor	Electronically Commutated Motor (ECM) for refrigeration evaporator fans	- All makes and models are eligible - For retrofit: Entire motor replacement only	\$100.00 per motor
ECM10021 / ECM10022	Evaporator Fan Controllers	Evaporator fan controller for refrigeration evaporator fans	- All makes and models are eligible	\$50.00 per controller
ECM10031 / ECM10032	Anti-Sweat Heater Humidistat Controls	Anti-sweat heater controls used with anti-sweat heaters to control the utilization of the heater to prevent condensation on display doors	- All makes and models are eligible	\$30.00 per door
ECM10041 / ECM10042	Night Covers	Night covers for horizontal and vertical refrigeration display cases	- All makes and models are eligible	\$5.00 per foot
ECM10051 / ECM10052	Strip Curtains	Strip curtains used on walk-in freezers and coolers	- All makes and models are eligible	\$2.00 per square foot * Maximum incentive of \$80.00
ECM10061 / ECM10062	Auto -Door Closer for Walk-In or Reach-In Freezer or Cooler	Auto door closer for either a walk-in or a reach-in freezer or cooler	- Auto door closer must be installed on a walk-in or reach-in freezer or cooler - All makes and models are eligible	\$50.00 per closer
ECM10091 / ECM10092	Solid-Door Refrigerator, <15 cu. ft.	Solid door refrigerator that is less than 15 cubic feet	- Must be Energy Star certified - Must be less than 15 cubic feet	\$20.00 per refrigerator
ECM10101 / ECM10102	Solid-Door Refrigerator, ≥15 cu. ft. - <30 cu. ft.	Solid door refrigerator that is equal to or greater than 15 cubic feet and less than 30 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 15 cubic feet and less than 30 cubic feet	\$50.00 per refrigerator
ECM10111 / ECM10112	Solid-Door Refrigerators, ≥30 cu. ft. - <50 cu. ft.	Solid door refrigerator that is equal to or greater than 30 cubic feet and less than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 30 cubic feet and less than 50 cubic feet	\$80.00 per refrigerator
ECM10121 / ECM10122	Solid-Door Refrigerator, ≥50 cu. ft.	Solid door refrigerator that is equal to or greater than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 50 cubic feet	\$120.00 per refrigerator
ECM10131 / ECM10132	Glass-Door Refrigerator, <15 cu. ft.	Glass door refrigerator that is less than 15 cubic feet	- Must be Energy Star certified - Must be less than 15 cubic feet	\$70.00 per refrigerator
ECM10141 / ECM10142	Glass-Door Refrigerator, ≥15 cu. ft. - <30 cu. ft.	Glass door refrigerator that is equal to or greater than 15 cubic feet and less than 30 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 15 cubic feet and less than 30 cubic feet	\$75.00 per refrigerator
ECM1051 / ECM1052	Glass-Door Refrigerator, ≥30 cu. ft. - <50 cu. ft.	Glass door refrigerator that is equal to or greater than 30 cubic feet and less than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 30 cubic feet and less than 50 cubic feet	\$80.00 per refrigerator
ECM10161 / ECM10162	Glass-Door Refrigerator, ≥50 cu. ft.	Glass door refrigerator that is equal to or greater than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 50 cubic feet	\$90.00 per refrigerator
ECM10171 / ECM10172	Solid-Door Freezer, <15 cu. ft.	Solid door freezer that is less than 15 cubic feet	- Must be Energy Star certified - Must be less than 15 cubic feet	\$45.00 per freezer
ECM10181 / ECM10182	Solid-Door Freezer, ≥15 cu. ft. - <30 cu. ft.	Solid door freezer that is equal to or greater than 15 cubic feet and less than 30 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 15 cubic feet and less than 30 cubic feet	\$85.00 per freezer
ECM10191 / ECM10192	Solid-Door Freezer, ≥30 cu. ft. - <50 cu. ft.	Solid door freezer that is equal to or greater than 30 cubic feet and less than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 30 cubic feet and less than 50 cubic feet	\$200.00 per freezer
ECM10201 / ECM10202	Solid-Door Freezer, ≥50 cu. ft.	Solid door freezer that is equal to or greater than 50 cubic feet	- Must be Energy Star certified - Must be equal to or greater than 50 cubic feet	\$350.00 per freezer

Retrofit Only Projects

ID	Measure Short Name	Measure Description	Eligibility Criteria	Incentive per unit to End-users
ECM09011 / ECM09012	Refrigerated display case LED lighting	LED strip light for use in refrigerated display cases	On DLC Qualified Products List: - Category: Indoor Luminaires - Display Case - Primary Use: Display Case Luminaires or Horizontal Refrigerated Case Luminaires or Vertical Refrigerated Luminaires	\$30.00 per fixture
ECM10071	Vertical/Horizontal Display Case with Doors - Low Temperature	Vertical/horizontal display case with doors	- Vertical/horizontal display case with doors must replace a vertical/horizontal display case without doors. Door retrofits onto existing cases are also eligible. - Vertical/horizontal display case must have temperature of approximately -10°C	\$100.00 per foot
ECM10081	Vertical/Horizontal Display Case with Doors - Medium Temperature	Vertical/horizontal display case with doors	- Vertical/horizontal display case with doors must replace a vertical/horizontal display case without doors. Door retrofits onto existing cases are also eligible. - Vertical/horizontal display case must have a temperature of approximately -5°C to 5°C	\$50.00 per foot
